Lobby Track
Easy. Fast. Complete.

Jolly Technologies

Fast Sign-In

Minimize wait time with either attended stations or self-registration kiosks. Allow employees to pre-register visitors and automatically be notified upon their arrival.

Powerful Reporting

Within seconds you'll have beautiful reports of your facilities' activity, helping you know when to better staff, who is visited most, and in case of an emergency.

Built-In Security

Check visitors against an internal watch list or criminal database. Secure ID badges keep unwanted visitors out and connect to your access control system.

ABOUT US

Jolly Technologies is recognized as a world leader in developing identification and tracking software applications.

Every day prestigious companies across all industries, in more than 120 countries, enjoy the advantages of our innovative, premier solutions.

Jolly is committed to enhancing our customers' productivity with best-in-class business process software solutions that are exceptionally powerful, customizable to your environment, and remarkably easy to use.
